NOT FROM AUCKLAND?

We time our job fair so you can fly in and fly home in the same day with a job at a U.S. Summer Camp in hand!

HOW DO I IMPRESS A CAMP DIRECTOR?

- Complete your online application and pay the application fee - this shows the camps you are really committed to going to camp.
- Dress smart casual.
- Research all the camps – review their websites, profiles, positions hiring for – make notes!
- Smile, turn on the Kiwi charm and be confident.
- Show your enthusiasm and independence.
- A Camp Director wants to meet an adult who is adaptable and flexible.
- Know your skills and be prepared to talk about them and what you can do and teach (not what you can't do).
- Bring examples of what you can do and teach at camp. For example:
 - Load video footage on your mobile device to show you in action (playing tennis, waterskiing, horse riding etc).
 - Arts & Crafts - bring your portfolio showcasing your work.
 - Music - if you play an instrument bring it with you and play a tune to impress.
 - Lifeguard - wear your uniform to stand out from the crowd and showcase your experience
